

## **TCYSA Guest Player Pass Policy**

TCYSA allows for guest players to participate in limited numbers in accordance with the following requirements:

1. A TCYSA member team may have guest players participate in a game to reach recognized minimum roster size for their age bracket.
2. Every guest player must be documented with player name, age, name of team they last played with, and, if available, player number. This information must be emailed to the Director of Competition within 24 hours of the game start time.

Email: [competition@thurstoncountysoccer.com](mailto:competition@thurstoncountysoccer.com)

3. Guest players must have been registered with a WYS sanctioned Club within the soccer year so that they are covered by insurance.

(The soccer year begins in fall season and runs through summer season.)
